

**VALLEY FIRE**

**Verse1: Angwin** Am D7 Am D7 ...

Robert: Saturday, I'm getting gas  
getting gas in Angwin  
in Angwin

When the sirens  
and the radio cut in  
cut in

Volunteers they upped and started running  
Volunteers and started running

Volunteers  
I knew enuf to get my butt  
my butt in Action  
in Action

**THE VALLEY FIRE SONG**  
a Vocal Arrangement  
for Six Groups

**Chorus 1: Softly** F Am F Am  
Valley Fire It's coming Didn't have a name Start running Valley Fire It's coming down.

**Verse2: Cobb Mtn**

Sparks had started up  
Up on Cobb Mountain  
Cobb Mountain

I'm seeing smoke  
Down the street  
Where I am

teen Left my phone  
Barely got my jeans on  
my jeans on

Found the keys Come on, come on  
Start the engine  
Honey come on Come on

I'm seeing flames in the rear view mirror  
flames in the rear view mirror  
rear view mirror

Where's the Baby? Where s the Baby. Where's the Baby!  
Baby? Where s the Baby. Where's the Baby!  
Where s the Baby. Where's the Baby!

**Chorus2: Strong** 100 ft flames Sparks flying Mtn of flames Winds whipping Ocean of flames The Valley Fire

|         |               |               |               |                |                 |                 |
|---------|---------------|---------------|---------------|----------------|-----------------|-----------------|
| RED     | 100 ft flames | Sparks flying | Mtn of flames | Winds whipping | Ocean of flames | The Valley Fire |
| ORANGE  |               |               |               |                |                 |                 |
| GREEN   |               |               |               |                |                 |                 |
| CYAN    |               |               |               |                |                 |                 |
| BLUE    |               |               |               |                |                 |                 |
| MAGENTA |               |               |               |                |                 |                 |

**Chorus:** Instrumental "the voice of the fire"

**Verse3: Evacuation Center**

Find a friendly shoulder to cry on  
shoulder to cry on

Take a blanket  
and a cot to lie on  
to lie on

moms Get the kids all huddled together  
Get the kids all huddled together  
all huddled together

guys What the hell's  
with the crazy weather

kids + And I'm wondering  
if my house will be there

EVERYONE (softly) And I'm hoping Middletown will be there.

**Chorus3: Medium with mix of whispers and ooh's**

Ashes & soot keep falling Ashes & Soot Hills Glowing Miles & miles The Valley Fire

|         |              |              |              |               |               |                 |
|---------|--------------|--------------|--------------|---------------|---------------|-----------------|
| RED     | Ashes & soot | keep falling | Ashes & Soot | Hills Glowing | Miles & miles | The Valley Fire |
| ORANGE  |              |              |              |               |               |                 |
| GREEN   |              |              |              |               |               |                 |
| CYAN    |              |              |              |               |               |                 |
| BLUE    |              |              |              |               |               |                 |
| MAGENTA |              |              |              |               |               |                 |

**Verse4:** Outlying areas

Robert If it hadn't rained or the winds hadn't  
 'ed That Wednesday  
 had n't gone another way

Robert My home would I might not be  
 be a cinder  
 here singing:  
 here singing:

Thank the firefighters Cops and Workers  
 How they do it, I'll be damned if I know  
 Rush into Hell with a Pick and Shovel  
 to save somebody's house that they don't even know

Bridge: Am D7  
 Thank You - o oo-oo-oo-oooh Thank you Thank you (thank you)  
 Am D7  
 Thank you Tha-a-ank you Thank you (thank you) (thank you)  
 Am D7  
 Thank You - o oo-oo-oo-oooh Thank you Thank you

Chorus 4: F Am F Am F Am  
 Valley Fire It's over Valley Fire So over Valley Fire It's over Valley Fire  
 I wish it never had a name I wish it never had a name  
 We put you out but you're not done We put you out but you're not done We put you out THE VALLEY FIRE.
